

Assembling the Ex-Yu Rock Exhibits

Be Part of the Story! – An Open Call to Ex-Yu Rock Musicians, Producers, Executives, Promoters, Photographers, Journalists and Fans

Background

The Ex-Yu Rock Centar in Sarajevo aims to honor and celebrate the rock legends of the former Yugoslavia by creatively and professionally presenting their music and legacy to visitors from the region and across the world. Featured exhibits at the Centar will present the music and stories of hundreds of bands and artists from throughout the former Yugoslavia. Leading the initiative is the “Ex-Yu Rock Society,” a Sarajevo-based NGO which was formally established in March 2021.

The Ex-Yu Rock Centar will have several permanent exhibitions that will take visitors through a chronological and thematic history of rock music in Yugoslavia. The museum will also regularly have new exhibitions focused on various topics of Ex-Yu rock. The Centar is being designed as a modern and interactive space combining rare music memorabilia and artifacts from the featured artists with new audio and visual technology. The Centar aims to become a unique music and cultural experience in South-East Europe.
