“ Želim podržati ideju o otvaranju Ex-Yu Rock Centra u Sarajevu. Mišljenja sam da je ovo bitan projekat i Sarajevo je perfektno mjesto za napraviti nešto ovakvo.”

“ I would like to support this idea about opening Ex-Yu Rock Centar in Sarajevo. I think this is an important thing and Sarajevo is a perfect place to make something like this.”

Gile

Ex-Yu Rock Centar je zamišljen kao moderan i interaktivni prostor gdje se rijetke muzičke memorabilije istaknutih muzičara nadopunjaju novom audio i video tehnologijom. Želimo da prostor postane jedinstveno muzičko i kulturno sjedište u Jugoistočnoj Evropi. Centar će biti živi prostor namjenjen za kreativni i umjetnički izražaj i saradnju između posjetioca svih dobnih skupina.

The Centar will be centrally located in Skenderija, next to the historic Dom Mladih complex where so many musicians practiced their skills, launched their careers and entertained thousands of fans. This link with the past and present will help to inspire a new generation of young musicians and rockers in Sarajevo and throughout the region, while continuing Sarajevo's long tradition as a cultural hub and tourist destination.

## VEDAD HADŽIABDIĆ

Gitarista Teške Industrije

“ Ex-Yu Rock Centar je fenomenalna ideja. Sa ovom incijativom, cijela zaostavština Ex-Yu Rock scene, koja je ogromna, bit će ujedinjena. Cijelim svojim srcem podržavam ideju!”

“ The Ex-Yu Rock Centar is a phenomenal idea. With this initiative, the entire legacy of the Ex-Yu Rock scene, which is huge, will be united. I wholeheartedly support this idea!”

Vedad

Centar će se nalaziti na Skenderiji, pored istorijskog kompleksa Doma Mladih, u kojem su mnogi muzičari vježbali svoje vještine, pokrenuli karijeru i zabavljali hiljade obožavatelja. Ova veza s prošlošću i sadašnjostišću pomoći će da se inspirira nova generacija mladih umjetnika i rockera u Sarajevu i cijeloj regiji, nastavljajući pritom dugu tradiciju Sarajeva kao kulturnog središta i turističkog odredišta.
